

UK Key Facts 2010

Comprehensive risk management services worldwide

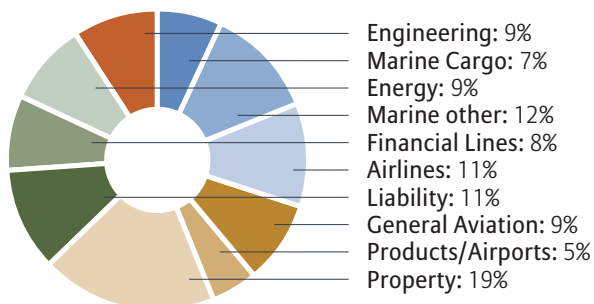

The Allianz experts for Corporate and Specialty Risks

Dedicated to serving the specific needs of corporate and specialty insurance customers, within the UK and globally, **Allianz Global Corporate & Specialty** provides insurance and risk management consultancy across the whole spectrum of Marine, Aviation and Corporate business.

We offer our clients and brokers an extensive portfolio of complementary services through a single point of contact. These services can range from specific specialist covers to comprehensive international programmes – backed by the security and stability you would expect from Allianz, even in the most challenging of times.

Combined gross premium (UK) 2009

Insurer Financial Strength Ratings

Allianz Global Corporate & Specialty AG maintained its rating's through 2009 and had them reaffirmed by Standard & Poor's and A.M. Best - reflecting our continuing security in a turbulent economic climate.

Comments from the rating agencies:

Standard & Poor's
AA (Very Strong), reaffirmed July 2009
awarded July 2008

'a premier brand and a truly global footing, based on AZSE's extensive network and the ability to offer significant capacity'
 'AGCS' competitive position is strong and sustainable'

A.M. Best
A+ (Superior), reaffirmed October 2009
awarded Sept 2008

'AGCS' business profile is excellent as one of the leaders in the global industrial line and specialty lines market'
 'AGCS' excellent business profile and the adequate risk-adjusted capitalization paired with a strong operating performance'

Allianz Global Corporate & Specialty - at a glance

- Writes €3.8 billion (gross premiums 2009)

Client and Broker Relations

Client focus is at the core of our business. By increasing our investment in our dedicated team of Key Account Managers and Broker Relations Manager we seek to build strong, sustainable, long term tripartite relationships with our clients and their advisors. Listening to clients and their advisors through regular dialogue helps us tailor our solutions and deliver holistic solutions from across the whole Allianz Group. Combining central co-ordination with technical understanding and the highest standards of service we are able to truly differentiate ourselves.
